NEW MPH PANEL
BOX FOR STEAM
BOILERS SAVES
TIME AND MONEY.

MANUAL STACK
DAMPERS ARE NOW
AVAILABLE ON THE
MPH 30 - 150.
\$225.00 List

We are proud to announce this month the delivery of our new Titan III plasma table manufactured by Messer Cutting Systems. Parts have already been arriving at Columbia. We plan to have the system up and running in just a few months, supplying boiler parts to the weld shop. The machine was purchased with several custom features, such as a beveling capability, that will reduce cycle times and improve accuracy.
